

PSM eNEWS – JULY 2025

THE PHOTOGRAPHIC SOCIETY OF MALAYSIA

马来西亚摄影协会

Dear Members, Greetings to All!

Recap of First Activity: Kota Tinggi Charcoal Kiln Photo Hunt

Our first activity, the Kota Tinggi charcoal kiln photo hunt, was successfully completed with enthusiastic participation. A total of 30 members joined, achieving abundant photographic harvests. The quality of the works was truly impressive — congratulations to everyone!

Upcoming Second Activity: Penang Tua Pek Kong Festival Photography

The second PSM outdoor photography activity will head to Bukit Mertajam, Penang, to capture the annual Tua Pek Kong (Tai Su Yeah) festival. This year marks the 137th edition of the celebration, which will take place on September 8, 2025 (Lunar Calendar: 17th day of the seventh month) featuring prayers, worship ceremonies, and the highlight ritual of sending off Tua Pek Kong. This is the most anticipated and culturally rich moment — an opportunity not to be missed!

We warmly invite all members to join and document this unique cultural event together.
